

## Tuberculin Testing for Foreign Students

For your child's and other children's protection, the State of Oregon requires that foreign students from many different countries have a chest x-ray prior to arriving in the United States.

This chest x-ray needs to be performed DURING the month before arrival in the United States. Example: If your child arrives for his summer session at Delphi on June 26th, then the chest x-ray needs to be done any time from May 26th to June 25th of that same year. See example:

Period to get x-ray = **X**

May						
	<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>

June						
<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>
<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>
<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>
↑						

Arrive at Delphi

A chest x-ray performed earlier than one month prior to arrival in the U.S. is not acceptable to the State of Oregon Health Department and may delay your child's enrollment.

Please present this form to your doctor when your child has his chest x-ray done and return it to the school when completed.

### ***RADIOLOGY REPORT OF CHEST X-RAY PERFORMED***

Student Name \_\_\_\_\_ Date \_\_\_\_\_

Result of chest PA and Lateral:

Radiologist's Signature \_\_\_\_\_
