

**RELEASE AND WAIVER FOR STORED POSSESSIONS**

I/We give my/our permission for my/our son/daughter,

\_\_\_\_\_ to store his/her personal possessions at a storage facility in a nearby town during the Summer term until his/her return in the Fall.

I/We understand that the Delphian School provides storage for student possessions solely as a convenience to those students and their parents who wish to store personal possessions over the summer. The Delphian School charges a fee for such storage to cover basic handling costs and rental of the storage units. Such fees do not provide for insurance, and the Delphian School is not responsible for damage, loss or theft of any items stored, either on or off campus. Parents are advised to obtain their own appropriate insurance should such insurance be desired.

I/We hereby release, indemnify and hold harmless Delphi Schools Inc, the Delphian School, its employees, agents, students and volunteers from all liability for any and all claims of damage, loss or theft to the aforementioned stored possessions.
